MISCELLANEOUS DEPARTMENTS

OFFICE OF THE SPECIAL OFFICER, DISTRICT BOARD, HASSAN.

Memo dated 12th October 1954.

No. B1. DBC. 35—54. The date fixed to 20th October 1954, for receiving tenders for S. R. Works of Roads, *vide* this Office Tender Notification No. B1. DBC. 35—54, dated 10th October 1954, is postponed.

M. V. SESHADRI,
1277 *For Special Officer.*

OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V, VI and VII should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919 in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

11. (*a*) The rates of annual subscription to the Gazette *for subscribers within the Mysore State* which are payable in advance are as follows :—

Press Note.

Mysore Government Insurance Department, Bangalore.

The Mysore Government Insurance Department is offering Life Insurance cover to the residents of the Mysore State at attractive rates of premium. At present, four types of life assurance covers are offered to the public, *viz.*, Whole Life Policies, Whole Life Policies by limited payments, Endowment Policies and Children's Endowment Policies. It is proposed to offer several other new types of assurances in the near future so as to suit varying needs and requirements of the public.

At present, the Mysore Government Insurance Department has about 1,18,000 policies in force. The claims paid exceed one crore of rupees. The fund of the Public Branch has a balance of about 4-5 crores of rupees, besides a sum of Rs. 2·1 crores at the credit of the Official Branch. The new business done for the year ending 1953-54 amounts to about Rs. 1·25 crores. The working expenses of the Public Branch are the lowest in India. The rates of bonus declared at successive quinquenniums have been very attractive. The activities of the Department are being enlarged in all directions and modern methods of office procedure like a mechanised system of accounting are being adopted to give prompt and efficient service to policy-holders.

The Department has a Motor Insurance Branch also. The premium rates of the Motor Branch are competitive. The rates of "No-claim bonus" are attractive. The funds of this branch are in the order of Rs. 10 lakhs.

With the merger of Bellary District with the Mysore State the scheme of operation of this Department is extended to that District also. With a view to popularise this Department in the ceded areas of Bellary District an intensive propaganda scheme has been embarked upon and agents have been appointed in the Bellary District.

Balances of the fund are guaranteed by the Revenues of the State. The valuation for the 5 years ending on 31st March 1953 is expected to yield an attractive rate of bonus. The public of Bellary are requested to take full advantage of the most favourable terms and facilities offered by the State Insurance Department.

SPECIFICATIONS GOVERNING THE MANUFACTURE OF CEMENT MOSAIC FLOORING TILES FOR SUPPLY TO "VIDHANA SOUDHA", BANGALORE.

Notification dated 1st October 1954.

1 Tiles should be manufactured out of foreign best oxide colours (A-1 quality) to be got approved beforehand by the Government Architect and the Special Engineer, Vidhana Soudha Division and should be processed only in a Hydraulic press worked by electric power. Chips of different grades and colours, approved by the Government Architect and the Special Engineer, should only be used. Cement and Sand used should be in the proporation of 1 : 2.

2 The overall thickness of the tiles (of the above specification) after processing in Hydraulic Press should be not less than $\frac{3}{4}$″, the mosaic portion itself being not less than $\frac{1}{4}$″ after polishing.

3 The size of the cement flooring tiles should be between 8″×8″ and 10″×10″, to be specified by the Special Engineer and Government Architect.

4 The tiles manufactured on the above lines should remain immersed in water for at least ten days for curing.

DADOOING WORK FOR WALL WITH MOSAIC FINISH IN BATH ROOM, ETC.

A. Cement mortar plastering of $\frac{1}{2}$″ to $\frac{3}{4}$″ thick in the proportion of 1 : 3 (as may be approved by the Government Architect and the Special Engineer) should be done with terra bonds being provided as per approved design, and specification.

B. Quarter of an inch thick terrazoo finish-colour and grade of chips as approved by the Government Architect and Special Engineer should be provided.

AREA TO BE COVERED WITH TILES.

1. Mosaic Flooring with tiles or cast insitu-terrazzo	...	900 Squares
2. Relief Tile-Flooring	...	2,500 Squares.

TYPICAL WORKING SPECIFICATIONS FOR TERRAZZO FLOOR FINISH AS GIVEN BY THE CONCRETE ASSCOIATION OF INDIA.

1. *Base slab* :—The surface of the base slab shall be struck off reasonably true at a level not less than 2$\frac{1}{4}$ inches below the required finish. This will be done by the Department.

2 *Aggregates* :—No fine aggregate or sand shall be used in the terrazzo finish. The coarse aggregate shall be graded in three sizes : $\frac{1}{8}$ inch, $\frac{1}{4}$ inch and $\frac{1}{2}$ inch, of chips of approved colour.

3 *Mixtures* :—The terrazzo mixture shall be one part of (Portland) cement of required colour and three parts of stone chips.

Not more than 4 gallons of mixing water including the moisture in the aggregate shall be used for each bag o (Portland) cement in the mixure.

4 *Consistency* .—The terrazzo concrete shall be of the driest consistency possible to work with a sawing motion of the strike-off board or straight edge. Changes in the

consistency shall be obtained by adjusting the proportions of aggregate and cement. In no case shall the specified amount of mixing water be exceeded.

5 *Placing*:—The terrazzo finish shall be laid in bays not exceeding 12 square feet in area at a time.

Before placing the mortar base and terrazzo finish the surface of the structural concrete slab shall be covered with a uniform layer of fine sand ¼ inch thick, and covered with an approved tar paper.

The mortar base shall be at least 1¼ inch thick and shall be screeded to an even surface ¾ inch below the finished floor level.

Metal dividing strips about 1½ inches wide, preferably Terrabonds of either brass or aluminium shall be inserted in the mortar or supported on the slab to conform to the design specified by the Architect. The top of the strips shall be at least 1/32 inch above the finished level of the floor.

When, in the opinion of the Special Engineer, the mortar base has hardened sufficiently to withstand rolling, the terrazzo mixture shall be placed to level of the top of the dividing strips.

6 *Finishing*:—After striking off to the finished level, the concrete topping shall be rolled length-wise and cross-wise so as to secure thorough compaction of the stone chips and cement paste. Additional stone chips of the larger size shall be spread over the topping during rolling until 85 per cent of the finished surface shall be composed of stone. Immmediately after rolling the surface shall be floated and trowelled once. No attempt shall be made to remove trowel marks.

After the terrazzo concrete has hardened enough to prevent dislodgment of aggregate particles, it shall be ground down with an approved type of grinding machine shod with free, rapid-cutting carborundum stones to expose the coarse aggregate. The floor shall be kept wet during the grinding process. All material ground off shall be removed by squeegeeing and flushing with water.

Air holes, pits and other blemishes shall be filled with a thin grout composed of neat cement paste of required colour. This grout shall be spread over the surface and worked into the pits. After all patch fillers have hardened for seven days the floor surface shall receive a second or final grinding to remove the film of cement paste and to give the floor a polish. Further final holes and pits shall again be filled up will cement paste of required colour and the surface ground a third time with fine corborandum stone. The surface shall then be washed with water and finely ground with oxalic acid. The surface shall then be thoroughly cleaned and after it is perfectly dry, it shall be polished with Mansion other approved polish of required colour.

Notification dated 15th October 1954.

1 Sealed tenders are invited up to 4 P.M. on Monday the 8th November 1954 for the supply of Burnt Fat Lime Stone of the best variety which is required for the Chunam plastering and white washing of Vidhana Soudha Building under construction in the Old Residency Compound at Bangalore.

2 An earnest money of Rs. 250 in the form of receipted challan paid to the Reserve Bank should accompany the tender without which the tender will not be considered. The challan should be duly countersigned by the Special Engineer, Vidhana Soudha Division before crediting the amount to the Bank.

3 An approximate quantity of 500 C. yds is required and the supplies will have to be made on indents from the undersigned as and when required.

4 The supplies should be made at Vidhana Soudha Works within eight days from the date of each order. The material has to be stacked before measurement and an allowance of 10 per cent will be made for voids to arrive at the net quantity of supply.

5 Rate per C.yd. (net quantity after deduction for 10 per cent voids) for supply at Vidhana Soudha Works may be quoted.

6 Material which does not satisfy the standard specifications will be rejected and the rejected material should be removed from the works at contractor's cost within three days' time as otherwise the material will be forfeited to Government.

7 Samples of the material to be supplied should be sent along with the tenders giving the details of the quarry from which the material is proposed to be obtained.

8 The discretion of disposing off the tenders in any manner rests with the Chief Engineer of Mysore, Bangalore, whose decision in the matter is final and binding. It is not binding on the Chief Engineer to accept the lowest tender or assign any reason thereof.

9 Printed tender forms in duplicate can be had from the Special Engineer, Vidhana Soudha Division, on payment of annas 4 per set. Only these prescribed forms should be used for presenting the tender.

10 The earnest money deposit will be refunded to the successful tenderer only after the completion of the work satisfactorily.

11 The successful tenderer shall bind himself to abide by the Departmental Rules and Specifications in force and shall execute the necessary agreement within five days from the date of intimation of his acceptance of tender failing which his tender will be cancelled unconditionally and the earnest money forfeited to Government.

12 The successful tenderer should arrange to start the work within eight days of the execution of the necessary agreement and to complete the supply within two months thereafter or any further period thereafter allowed from time to time at the discretion of the Special Engineer, Vidhana Soudha. The progress of the work should be fairly uniform during this period. Any failure on the part of the successful tenderer to abide by these conditions shall be considered a breach of contract and necessary suitable action will be taken against the tenderer. This will be in addition to cancelling the tender unconditionally and forfeiture of the earnest money.

13 After entrusting the work to the successful tenderer, the challan enclosed by the other tenderers will be duly returned to them endorsed for refund, which can be had from the Reserve Bank.

14 Reserve and earnest money deposits of the successful tenderer will be repaid only after the settlement of the final bill.

15 No conditional clause will be accepted.

16 Tendered contractor will have to pay compensation as per the Workmen's Compensation Act of workmen employed by them on this work, who are injured, disabled, or killed in or during the execution of work failing which, the amount will be deducted from the bills due to the contractors for payment and the same paid to the injured or deceased or to their legal heirs.

17 The quantity of work specified above is approximate and subject to alteration. No extra claims will be entertained for such alterations.

18 The work should not be sublet to others.

19 For all disputes arising in respect of this work regarding rate, quality, quantity, execution, etc., the decision of the Chief Engineer of Mysore, Bangalore, is final and legally binding.

20 The successful tenderer should bind himself responsible for good behaviour of his agents and employees employed on the work.

5808 M. MALLESHAYYA, *Superintendent.*

OFFICE OF THE PRINCIPAL, GOVERNMENT FLYING TRAINING SCHOOL, BANGALORE.

Notification.

Applications are invited from Indian nationals below 28 years of age and particularly from College students for training in Flying.

The Government of India have drastically reduced the Flying fees from Rs. 25 to Rs. 10 per hour.

This enables the student to obtain his 'A' licence in Flying within Rs. 300, if the student is of average ability.

The trainees should be below 28 years of age and must have good physique and eye sight.

They must have passed the S.S.L.C. examination or must be of that standard with a very good knowledge of English.

The course is open for admission subject to being medically fit.

Each candidate will have to deposit a sum of Rs. 300 before he joins the Institution and this amount will be utilised towards his Flying fees, membership fees, etc.

Each trainee should pay a membership fee of Rs. 5 per month.

'A' Licence.—The 'A' licence standard is taken up by most people as a hobby. But young men of the Colleges and members of the National Cadet Corps have a definite advantage if they choose to join the Indian Air Force. They will be shown a concession in the age if they want to appear for the commissioned ranks in the Indian Air Force. It is therefore very advantageous to College students and candidates of the N.C.C.

For the 'A' Licence course a trainee has to put in approximately 20 hours of Dual Instruction and 5 hours of Solo, and pass the flying tests as well as written examination conducted by the Director General of Civil Aviation, New Delhi. This examination is held in Bangalore. The period required for obtaining the 'A' Licence is three months, depending upon the ability, capacity and aptitude of the trainee. The written examination is held once in three months in December, March, June and September of each year. It consists only of one paper and a candidate will be declared to have passed the examination if he obtains not less than 75 per cent.

Hours of training.—Flying training is imparted both in the mornings and evenings, by well qualified experienced pilots.

Jakkur Aerodrome is situated only at a distance of four miles from the Bangalore City limits. City Bus Services run from Majestic Circle to Yelahanka *via* this Aerodrome, for every 45 minutes. So there is no difficulty about transport. Trainees will have to make use of this City Bus Service or make their own transport arrangements.

No Boarding and Lodging facilities are available at the Aerodrome. Trainees will have to make their own arrangements.

Applications for admission can be had free from the Principal, Government Flying Training School, Jakkur Aerodrome, Yelahanka Post, Bangalore, on request.

2. The sizes of boxes to be reconditioned out of the Empty Special liquor boxes are as follows :—

(1) 2′ x 1¾′ x 1½′ (2) 2′ x 1½′ x 1′
(3) 2′ x 1½′ x ¾′ (4) 1′ 10″ x 1½′ x 7″

The tender rates may be quoted separately for each box or type of box or for all the types.

3. The tender rates when accepted by the Excise Commissioner in Mysore, Bangalore, shall be the rates at which remuneration will be paid to successful tenderer who will be called "Government contractor for reconditioning boxes" during the currency of the contract granted under this Notification.

4. The contract will include occasionally the reconditioning of boxes to some other different sizes also.

5. Each tenderer may receive requisite number of empty Special Liquor boxes, twenty at a time from the Ganja Stores, for reconditioning them, but they shall not be taken out of the Ganja Stores premises (compound).

6. Each tender must be accompanied by a receipt for having deposited a sum of Rs. 10 in the Office (the Excise Commissioner's Office). The tender must be in a sealed cover, superscribed with the words "Tender for reconditioning boxex." The tenders will be opened by the undersigned at his office (New Public Offices) on the same day in presence of such of the tenderers as may be present. The final disposal of the tenders will rest with the Excise Commissioner in Mysore, Bangalore, who reserves for himself the right to reject any or all of the tenders without assigning any reason whatsoever. The deposit made by the unsuccessful tenderers will be immediately returned.

7. The successful tenderer shall within eight days of the acceptance of his tender (which fact will be communicated to him) deposit a further sum of Rs. 10 in cash. If he fails to do this within the aforesaid time, the deposit already made by him will be forfeited and the contract otherwise disposed of at his risk. He shall execute an agreement in the prescribed form binding himself to conform to the conditions therein set forth.
